

# Financial Report of HelpFogo

May 10, 2015

The following table sets forth the summaries of consolidated revenues and expenses for the project HelpFogo from January 1, 2015 to March 30, 2015.

The project mainly source of revenue was generated from sale of products HelpFogo sold in Mainland China and contributions (Donations).

Contributions received from the public, were made directly to us and it was raised through a combinations of awareness activities and events done through social network (WeChat, Facebook, Website) and onsite.

The table below also shows all the products that were available for sale as well as their respective total revenue and manufacturing costs.

The total generated revenue \$8803 (Eight thousand eight hundred and three Chinese Yuan) will be donated to the Cape Verde Embassy in Beijing that will forward it to the Red Cross Cape Verde.

Products	Qtd	Manufact. Costs	Profit (Sold)	Profit (Total)
Tshirts	400	\$7467	357	\$14,280
